

Roads to places – integrating grey, blue and green infrastructure for street design in new developments

A FREE CPD event endorsed by

12th June 2017

East Northamptonshire Council, Cedar Drive, Thrapston, NN14 4LZ

The purpose of this workshop

To facilitate a cross disciplinary discussion on how to achieve the Placeshaping Principles set out in the Joint Care Strategy with a specific focus on the integration of green and blue infrastructure.

From 9.00 Refreshments and opportunity to visit exhibition stands

Session 1: Planning for Trees

10.00 Introduction

Robert Huxford, Director UDG and Co-founder of PRIAN and a member of the ICE Municipal Expert Panel
